ADMISSIONS CLUB · UNDERGRADUATE TRACK

Apply to U.S. universities together

An online group program for motivated high school students who want to study for a bachelor's degree in the U.S. We go through the whole admission journey step by step: live sessions, assignments, a group of students applying at the same time and educational consultants who keep you on track.

from $99 / month | 2 live sessions a week | 6 months + optional 3

Online

Live sessions on Zoom or Google Meet. Recordings, materials and assignments in Google Classroom.

Every week

Two live sessions a week plus short assignments, so the whole process turns into a steady routine.

Together

A WhatsApp chat with your group and educational consultants. Motivation stays high when everyone works toward the same goal.

What happens inside the program

- **Group meetings with a consultant**
  Practical sessions with your group: discussion, questions and next steps for each stage.
- **Webinars**
  The key topics of U.S. admissions, explained clearly, with time for your questions.
- **Meetings with university representatives**
  Online sessions with people from U.S. universities and admission experts.
- **Talks with current students**
  Students who already study in the U.S. share how they chose, applied and got funding.
- **Boot camps**
  Intensive multi-day sessions on the hardest parts: the SAT and admission essays.
- **Speaking clubs**
  Regular English practice on the topics you will meet in essays and interviews.
- **Assignments in Google Classroom**
  Short tasks after each topic. Step by step, they add up to your application.
- **Office hours**
  Optional time with a consultant for individual questions.

The core program: 8 modules

MODULE 1

How U.S. admissions works

- Types of institutions: public and private, liberal arts colleges, research universities
- Majors, minors and the credit system
- The holistic application: grades and rigor, activities, essays, recommendations

You leave with: a clear picture of the system and your student profile

MODULE 2

Know yourself, find your fit

- Strengths, interests and values; a personal SWOT
- Connecting interests to majors and careers
- Best fit: academic, financial and social; beyond rankings

You leave with: your personal criteria for choosing a university

MODULE 3

Your college list

- Selectivity and acceptance rates, explained
- Reach, match and likely universities
- Research tools and how to write to admission offices and students

You leave with: a balanced list of 8–12 universities

MODULE 4

Funding your degree

- Need-based aid and merit scholarships
- CSS Profile and financial documents
- External scholarships and smart financial planning

You leave with: a college list with funding options

MODULE 5

Your profile and activities

- A personal application strategy
- How to present activities and achievements
- Resume, activities and honors list, recommendation letters

You leave with: your activities list and recommender brief

MODULE 6

Tests and strategy

- SAT strategy and a multi-day SAT boot camp
- Test-optional admissions: submit or not?
- English tests: TOEFL, IELTS, Duolingo

You leave with: a test plan with dates and target scores

MODULE 7 · CHOOSE WHAT INTERESTS YOU

Majors and careers

- Liberal arts and humanities
- STEM and computer science
- Business, economics, health sciences, law and psychology

You leave with: a clearer choice of major

MODULE 8

Essays and the Common App

- Your personal narrative and an essay writing boot camp
- Common App, step by step; presenting transcripts and honors
- Using AI tools wisely in college prep

You leave with: your Common App account and essay draft

The order and number of sessions may vary by group. We send the detailed program with dates after you apply.

OPTIONAL · +3 MONTHS

Application season

For students applying in this cycle. We move from preparation to submission and do the most important work together, in the group and one-on-one.

- Filling in applications together
- Essays, draft by draft
- Deadlines and final checks
- Communication with admission offices
- Pre-departure orientation

Add-on: English exam prep group

A separate group to prepare for TOEFL, IELTS or the Duolingo English Test. One session a week, a 10-session course, added to the main program.

+$50 / month

Who it is for

Undergraduate track

High school students in grades 10–12, or on a gap year, who want to apply for a bachelor's degree in the U.S.

What we expect from you

- Attendance: missed sessions are watched in recording
- All assignments done on time
- English at upper-intermediate level or higher
- A U.S. university as your first choice

How to join

1. Apply
A short application on our website, about 10 minutes.

2. Review
We read every application and reply within 24 hours.

3. Intro call
15 minutes with a consultant. We send the program plan and start date.

4. Payment
Pay for the first 2 months and get access to Google Classroom.

5. Start
Join the group chat and your first live session.

$99 / month

From $99 a month, with a minimum commitment of 2 months. Start with the core program and decide about the application season later. Want one-on-one support instead? Ask us about Full admissions support.
